Dear Customers:

It is with great pleasure that Bingham & Taylor (B&T) announces its rebranding launch. The launch begins this Friday May 22 when we roll out new e-mail addresses for all our employees and company mailboxes. New email addresses will have the format **username@bandt-us.com**.

Both the old e-mail address (username@binghamandtaylor.com) and the new e-mail address (username@bandt-us.com) will work but all e-mails coming from B&T will come from **username@bandt-us.com**.

We encourage you to add our new domain name @bandt-us.com to your “safe senders” list to ensure e-mails do not end up in a Junk Folder. If you have any questions, please contact the Director of Sales for your area.

Sincerely,

Mike Latham, PE
Director of Product Engineering and Design
